ADMINISTRATION & FACULTY

Mr. Duffield, Principal

PRINCIPAL'S MESSAGE

March 28, 1960

Many prominent American business and professional men say that they gained prominence only after years of hard work. They came up the "hard way." Early in life these men learned that rewards are received only in proportion to the amount of sincere honest work that is expended.

More and more business firms are turning toward men who have earned at least part of their education. The reason is obvious. A boy who has to work for his education is more likely to work for his employer.

The attitudes and habits picked up during these formative years inevitably leave their mark. The ability to do hard work and like it, to stand alone and unafraid, must be developed early in life.

The hard way still produces high caliber men.

THE BOARD OF TRUSTEES

Russell Taylor,
President

Walt Tischer
Clerk

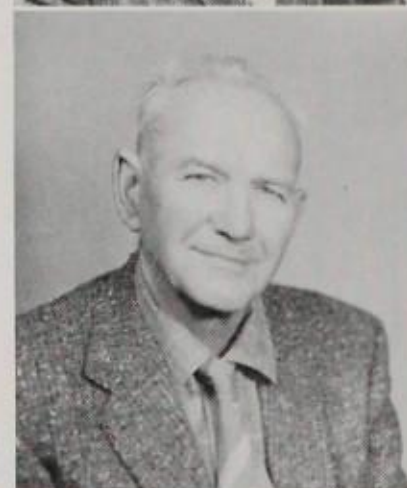

The Board of Trustees of our growing school have a tremendous job to perform. This is a job of great responsibility, long hours, for which they receive no monetary compensation for doing such worthwhile work.

The duties they perform are numerous. They control the money spent by the school, and develop the policies for the school.

They are doing everything within their power to make this school a leading educational plant. With our support, they can go a long way in making our school one which each and everyone of us can be proud.

DEANS

MR. IRISH

Dean of Boys

The Dean of Boys job is to advise and counsel any boy who has a problem and comes to him. Mr. Irish also has jurisdiction over the Senior class activities which occur during their graduation year.

MISS LAURA LORRAINE

Dean of Girls

Miss Lorraine's duties include helping girls with their problems; whether it be personal, educational, or social. She also serves as the faculty advisor to the Girl's League of Analy.

MR. EDWARD KAY

Director of Guidance

Mr. Kay, a new face at Analy, is the Director of Guidance. His main duty is to counsel with the Seniors concerning their program of studies, graduation requirements, and college and career opportunities after graduation.

Welcome to Analy Mr. Kay!

FALL STUDENT COUNCIL

The Fall Student Council under the leadership of President Dick Dowd and with the helpful guidance of Mr. John Crump has tried to improve our student government. The first big step was the planning and the actual revision of our out-of-date Student Body Constitution.

Also, members of the Fall Student Council attended the North Bay League Student Leader's Conference at Montgomery High School.

SPRING STUDENT COUNCIL

During the spring months, the Student Council found themselves under the fine leadership of Mickey Rabinovitz, Student Body President.

The council devoted some time during the first few meetings to discussion about a new organization which would be under the title of Honor "A." This organization was established after approval.

The council also sent 7 delegates to the North Bay Conference, held at Tomales High School. The council is also supporting the first musical to be put on by the dramatics department entitled, "The Boyfriend."

Thanks for a well done job, members!

G. A. A.

This year the G. A. A. has played hockey, volleyball, basketball, softball, badminton, and tennis. Modern dance is a new activity which was included.

February 1 was the day for initiation of eligible members. Approximately 15 new members participated in a scavenger hunt followed by a pot luck dinner.

Five senior members and their advisor Miss Garten attended a High School Sports Day at the University of California on March 19, 1960.

All-Star players and championship teams for the various sports played, are announced at the potluck dinner which is held to conclude each sport.

The biggest event of the year is the Farewell Banquet which is held in May. Officers for the coming year are also announced at this time.

THE BOYS' BLOCK "A"

The Boys Block "A" Society is mainly a service organization, its members consisting of boys who have earned a letter in any school sport. The Society's main goal is service toward the school.

Some of our many events during the year were as follows: The Society raised funds for a school banner by sponsoring a Senior Faculty basketball game. The event was a large success and we hope to see the banner above our rooting section next year. Again this year we supplied members for putting Easter Seals in envelopes along with boys to supervise at all sport activities.

We held our annual Father and Son chicken barbecue in the spring, which as usual turned out to be a big success and produced many full stomachs. This rounded out our year's events.

Tom Young, Analý's second exchange student, spent three eventful months in Holland during 1959. During this time, Tom toured many neighboring countries with his family, and had an unfortunate accident, which interrupted his visit!

Danny Formica, from Sicily, was our third foreign student to attend Analý. Danny spent the year in the home of Paul and Guy Davis, Sebastopol. Both Danny and Tom made many personal appearances before clubs and organizations to tell of their experiences and countries.

During October, "Exchange Student Week" was declared by Sebastopol's Mayor. The "Kick-Off" Breakfast started the week off and ended with Sharon McNeill, Treasurer, depositing a very sizeable amount in the Exchange Student Fund.

International Weekend occurred during February. Foreign students from International House in Berkeley spent the weekend with Analý students touring the Sebastopol region and Fort Ross, along with enjoying many other activities.

Besides the events mentioned, the W. A. C. had a monthly pot-luck dinner and meeting in the Cafeteria. Many interesting speakers helped to make the evenings a success.

Miss Mildred J. Weseen, Advisor, and Fall President, Carolyn Singer, are just two of the many persons who made the year successful.

The Pep Club had a pretty successful year. They were very active at all the games and backed up our players with much cheering and encouragement.

There weren't too many other activities, although everyone paid their dues, and enjoyed all things provided.

The numerous members formed different groups and took care of car caravans, provided food for the players after games, decorated the goal posts, cleaned up and worked on the rallies.

Mr. Davis, Mrs. Davis, Danny, Paul, Guy

EXCHANGE

By Danny Formica

Dear Analyans:

Above all, I must thank you and all the people in the school and out that have made my stay so unforgettable. A particular thanks to Mr. and Mrs. Davis who have been, for me, as a second family. The kids, here in America, are so friendly that it was not a hard job to get, in short time, so many friends, like I did.

I am here as the third foreign student, and with great pleasure I have noticed that the program is increasing with good hope for the future.

Although I am coming from a big town, called Catania, of about 350,000 people, I have enjoyed our small and nice Sebastopol.

I have noticed a big difference between the high-school boys and girls here and in Sicily. As a general rule here, boys are calmer and more interested in cars than we. The girls, on the contrary, are pretty and . . . terrific. I do not think any explanation is to be made on this last statement.

As a general rule, I prefer American girls to the European girls. Here boys have many jobs available, and, hence, they can afford what European boys cannot. It sounds pretty funny for an American to hear that, when we go out for a date, we use as a means of transportation, the city busses or our . . . feet. But we have the same fun that you have here.

I get a kick from your radio and television. Unforgettable for me is your channel 91 or that small man coming out from your T. V. set saying that a "Burgie is so much more refreshing."

In my country we have to go to school Monday through Saturday, and we have to take about 15 courses every year to graduate.

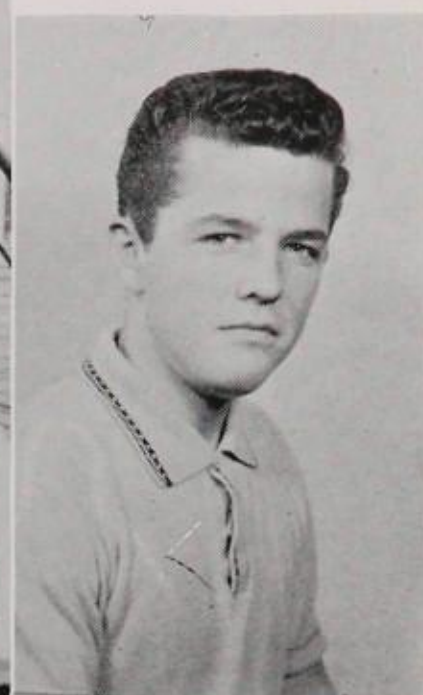

In Italy I found jazz more popular, especially among young people, than here, and I was much surprised when I heard on your radio stations all popular music.

Well, I guess it is a better idea if I will finish with my terrible Italian-American. Thank you again; this has been, for me, one year of wonderful experience that I will never forget.

Tom Young, Exchange Student

STUDENTS

By Tom Young

When informed that my destination would be the Netherlands, naturally my thoughts were of wooden shoes, windmills, and a quaint manner of dress, so you can imagine my surprise on arrival in the Netherlands to find, waiting for me on the pier, my host family in attire no different than that of ours.

I found city life there similar to that of ours in many respects. One difference—the use of public conveyances—in that country is almost essential.

The family car is used for trips, vacations, or for out-of-town purposes, and rarely for everyday use. The bicycle is used for going to and from places of work. It is interesting to note that there are highways exclusively for bicycles, since the bicycle traffic is quite heavy.

I found the Dutch people congenial, co-operative and, as a whole, easy to get along with. Their mode of life does not seem as complex as ours and, from all appearances, they take a little more time to enjoy it.

There is a considerably greater amount of family unity in so far as they enjoy family participation in their various activities. This is not to be construed that the teenagers do not enjoy their own activities.

Most important; "food." Food is a subject of interest in everybody's mind. How was the food in Holland? It was very good. The one thing there is in getting used to Dutch food is acquiring an appetite for bread. Two out of three meals consist of a diet of bread—several slices of it in conjunction with thin slices of meats, spreads, etc. The hand does not touch the food. Everything is eaten with knife and fork.

I enjoyed my stay in the Netherlands tremendously and look forward—someday—to return.

I wish now to thank all my teachers, friends, and neighbors who made this splendid trip possible.

To the next foreign exchange students, good luck, and may you enjoy many new, happy experiences.

C. S. F.

The Analý chapter of the California Scholarship Federation found itself undertaking one of the biggest projects it has ever handled this year. On April 2, 1960, Analý was host to the 139 schools that make up the Northern Bay Region. Each year a conference is held and we had the honor to present it here on the Analý Campus.

The chapter will end its year with a swimming party and picnic.

The organization was under the fine leadership of Gary Foster, in the Fall and Carol Leone, in the Spring.

SCIENCE CLUB

The Science Club sponsored many projects this year; one of these was the making possible for the entire school to watch the sun spot action on the sun by placing a telescope on the little knoll behind the main building and overlooking the football field.

The Science Club also sponsored Analý's first annual science fair, which was held Tuesday, February 18, in the new science rooms of the high school. From the number who participated, the number who came to see and the amount of praise, the fair can be adjudged as nothing short of a complete success. A rough estimate of visitors sets the number at something above 1500. Many schools participated and there were dozens of entries, attracting visitors from as far away as the Bay Area.

MIXED CHORUS

The A Cappella was a tremendous success in their numerous singing performances this year. Among these were their Spring Vocal Concert, Christmas Play, and Open House Night.

They also performed at numerous grammar schools, clubs, and organizations in the community.

They have been rewarded with picnics, parties and trips to many colleges.

MIXED GLEE

Mixed Glee is an establishing step toward being in and enjoying A Cappella. This group as well as the Ensemble contributed well to the music department, singing vocal exercises, Christmas carols, folk, Negro spirituals, and various popular tunes.

Mr. Louis Lewis, director of the vocal department, has done a really fine job this year, and we feel sure that his efforts are appreciated by the whole school.

DRILL TEAM

Another year, another drill team. This year the drill team really showed their stuff. They participated in the half-time entertainment at almost all of Analy's football games. Their drills and stunts were also enjoyed at one of our rallies, and at one of our basketball games. Annually, the drill team does a routine for the spring band concert. This year they did their routine to "Me and My Shadow." Much of the credit for the girls' success this year should be given to Mr. Kenneth Knight and Miss Greta Garten. They did a wonderful job, and you can be sure they'll do a good job next year too!

The majorettes and the Tiger and Tigerette have followed performing at the games, band concert, and other activities.

All three groups have performed outstandingly this year.

ANALYN STAFF

This year the Analyn started the year with a small staff of all girls. Within a few days, additions were made to the staff. These additions continued until, by the second semester, the staff was made up of a total of nineteen boys and girls working to serve Analyn through the newspaper, as has been done in past years.

Perhaps the Analyn's greatest accomplishment this year was the change in size and format of the paper, (a few years ago, the paper was only a mimeographed publication), which made it possible for the staff to cover a greater number of school activities in greater detail.

All in all, the year was a successful and enjoyable one.

GIRL'S LEAGUE

The Girls' League has had a very successful year under the direction of President Patty Chenoweth and Miss Lorraine, advisor.

This year a hush day was introduced and enjoyed by all participating. The boy that had the most tickets at the end of the day, Dennis Kitchens, was crowned "Mr. Desirable" at the annual Turnabout Dance the following evening.

We are sure next year will be as good as this year.

FALL PLAY

The Fall Play, entitled "Family Circle," was presented in the high school cafeteria on November 20, 1959.

The play was written by Anne Coulter Martens and was dramatized from the book by Cornelia Otis Skinner. The comedy presents the life of the young Cornelia Otis Skinner, and her efforts to follow in her parents footsteps to a career in the theatre.

The three-act comedy was adapted for the Theatre-in-the-Round by Mr. Angelo DeBello.

The stage setting was simply a platform in the center of the cafeteria. All the 325 seats which were placed on the four sides of the platform were sold out.

The Dramatics department felt the production was a success for the following two reasons:

(1) The production provided an educational experience through the adaptation of a new mode of presentation; Central-Staging.

(2) It also provided a challenge to the fine students who participated on stage and also behind the scenes.

MR. DeBELLO, Director

Sleep Talking is dangerous!

SPRING PLAY

To say the least "THE BOY FRIEND" was a smash hit! It was one of the greatest productions in the history of Anal High School. The show played to almost S. R. O. crowds for two consecutive nights--April 22 and 23. Long weeks of hard work paid huge dividends.

The main credit goes to Mr. Angelo DeBello who directed the musical. Working with Mr. DeBello were Mr. Louis Lewis, musical director, and Miss Greta Garten, choreographer. The play, without their efforts could not have been the success it was.

The story was a truly old-fashioned love affair and the heart warming happy conclusion brought the boy and girl together. The entire cast did a beautiful job of portraying the various characters.

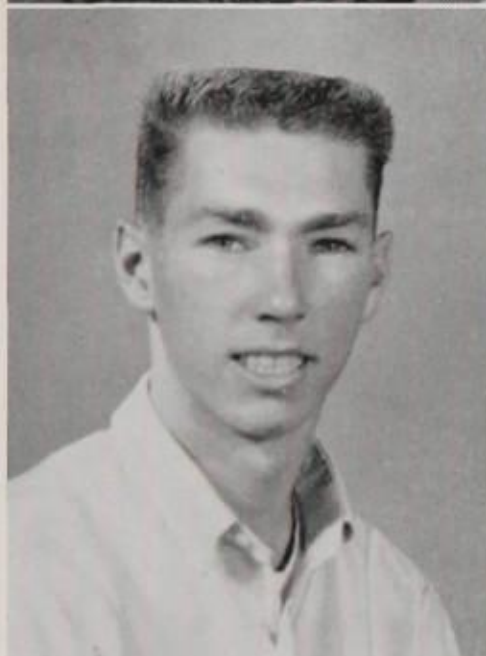

This year's play "THE BOY FRIEND" will stand as a hallmark for other school plays put on here at Anal.

BOY'S AND GIRL'S STATE

The annual Boys and Girls State was held during the week of June 17-29. Being chosen to attend this event sponsored by the American Legion, Rotary Club, and American Legion Auxiliary is the highest honor that can be bestowed on a student in their junior year. Each year a girl is chosen by the Faculty at the school and three boys are chosen after being interviewed by a group selected by the American Legion.

The girl spends her week on the campus of the University of Davis, and boys spend theirs at the State Fairgrounds. The week is packed full of events that will be remembered for a lifetime.

The main purpose of Girls and Boys State is to study, learn, and practice what a good citizen should be like. The girls and boys elect all the officials to fulfill the offices in city, county and state branches of our government.

We are very grateful and appreciate the opportunity afforded to attend Boys and Girls State. We hope that this program will be continued and that all future delegates will gain as much as we have from this program.

TURNABOUT DANCE

One of our most successful dances was held on February 5, 1960, in the cafeteria. This year a king and queen were not chosen, but a Mr. Desirable took their place. Dennis Kitchens was Mr. Desirable for the evening. He collected over 300 tickets from different girls on Hush Day.

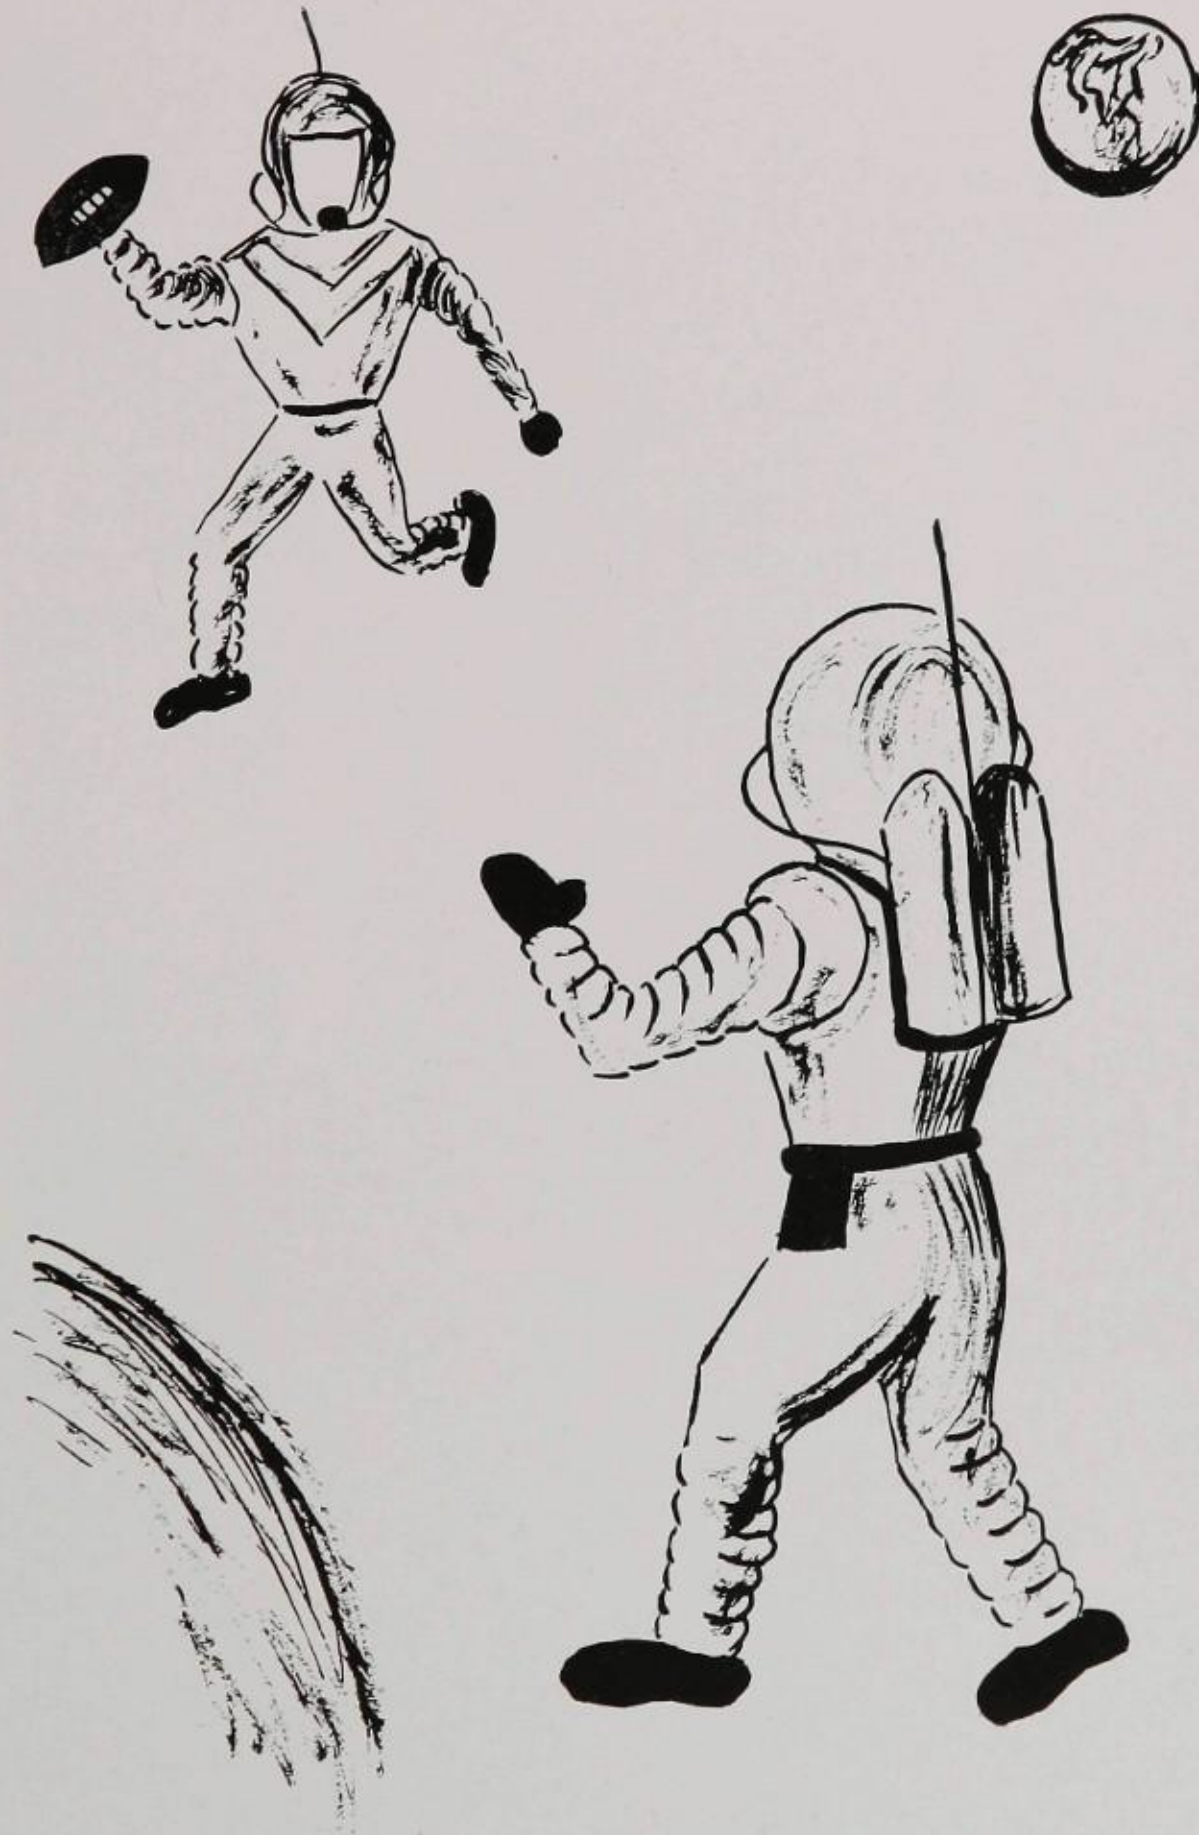

(Left to right) Front row: Dick Dowd, Ellen McNamee, Danny Fish, Margie Gonsalves, Linda Bowen, Roslyn Rovere, Nicki Makaroff, Bessie Baker, Nancy Naylor, Aileen Fiori. Second row: Dana Donovan, Linda Mortarano, Carol Nau. Third row: Curtis McLendon, Steve Sullivan, Jocko Garzot, Gary Ferguson, Larry Mitchell, Mickey Rabinovitz, Jan Caddel, Dianne Gonnella, Jeanne Rossi, Lorraine Van Cott.

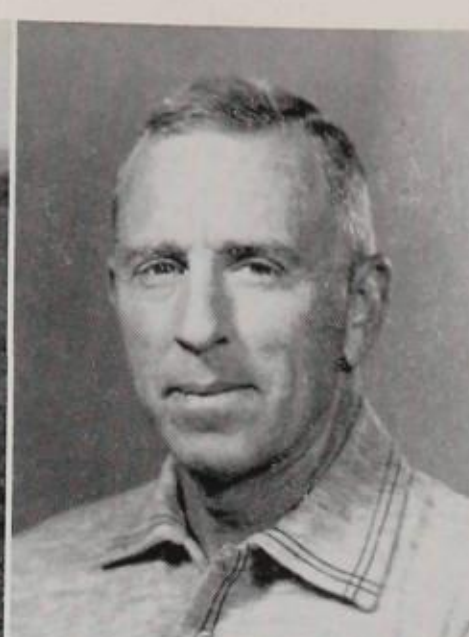

SENIOR BALL

The Senior activities have once again begun. The first sign of this was on December 4, 1959, when the Senior Ball was held. Entertainment, refreshments, and dancing to the music of Peter Dutton's Quartet provided a very enjoyable evening.

VARSITY BASEBALL

The Analy Varsity Football team, coached by Mr. Walt Foster and by Mr. Don Bossert, showed a lot of spirit, determination, and sportsmanship this year. The overall season record for the Tigers was 4 wins and 4 losses.

The backfield was led by senior quarterback Larry Mitchell, hard hitting backs, Jeff Nelson, Dennis Kitchens, Darell Steele, Dick Johnston, and Dan Fish, and speedster Phil Ito.

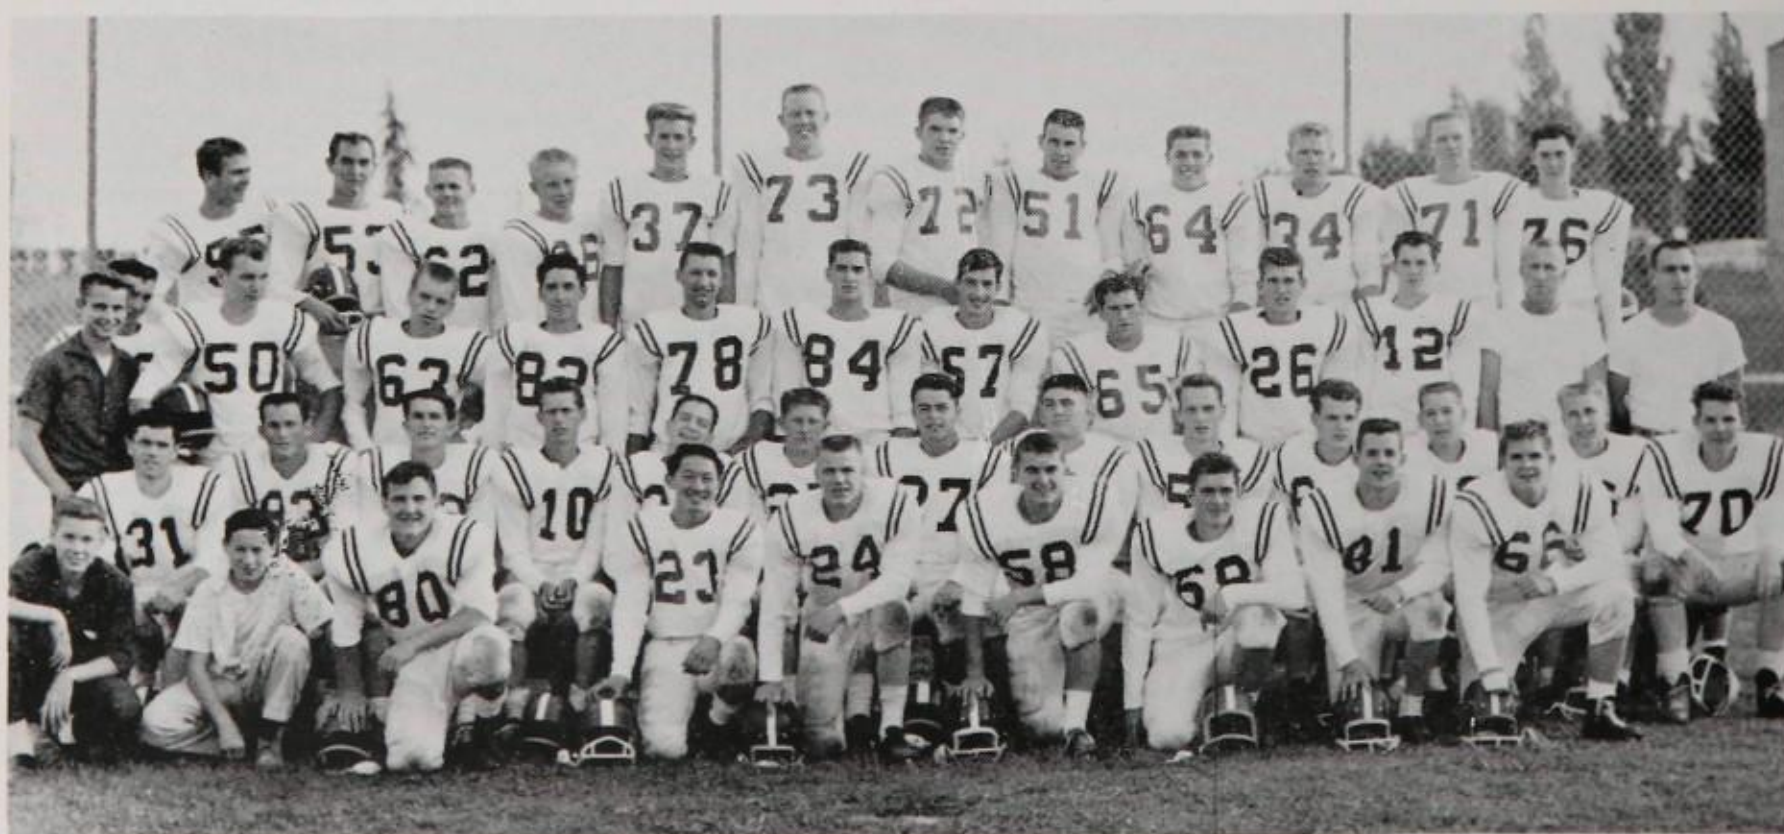

The hard charging rugged line was headed by John Condon, Doug Allred, Tom McAlvain, Roger Mann, Jim Mora, Dave Curshellous, and Jim Packard. Playing the end positions for the Varsity were Guy Hutchens, Gene Burris, George Bouillerce, Harry Polley, and Scooter Hill.

Star defensive men included Lee Winkler, Larry Kendall, Jack Tough, Don Gaskins, and Darrel Lewis.

Co-Captain for the team were John Condon and Larry Mitchell. The most valuable Lineman was Tom McAlvain and the Most Valuable Player was Guy Hutchens.

"We have a lot of boys coming back next year and we should be a tough team," says Walt Foster.

Front row: Skip MacKellar, Dale Wells, Dave Clary, Phil Ito, Jeff Nelson, Nick Sheridan, Al Blevins, Bob Gloeckner, Mike Porter. Second row: Clyde Denno, Guy Hutchens, Larry Mitchell, Duane Waters, Joe Privitt, Dan Fish, Jack Tough, Jim Packard, Bill Stephan, Bruce Martin, Lee Donham, Nick Boreta, Charles Withrow. FROSH-SOPH FOOTBALL

The Analy Frosh-Soph, a host of rugged football players, had a good season compiling a 5-2 record under the leadership of Mr. Barnard and Mr. Bertoli.

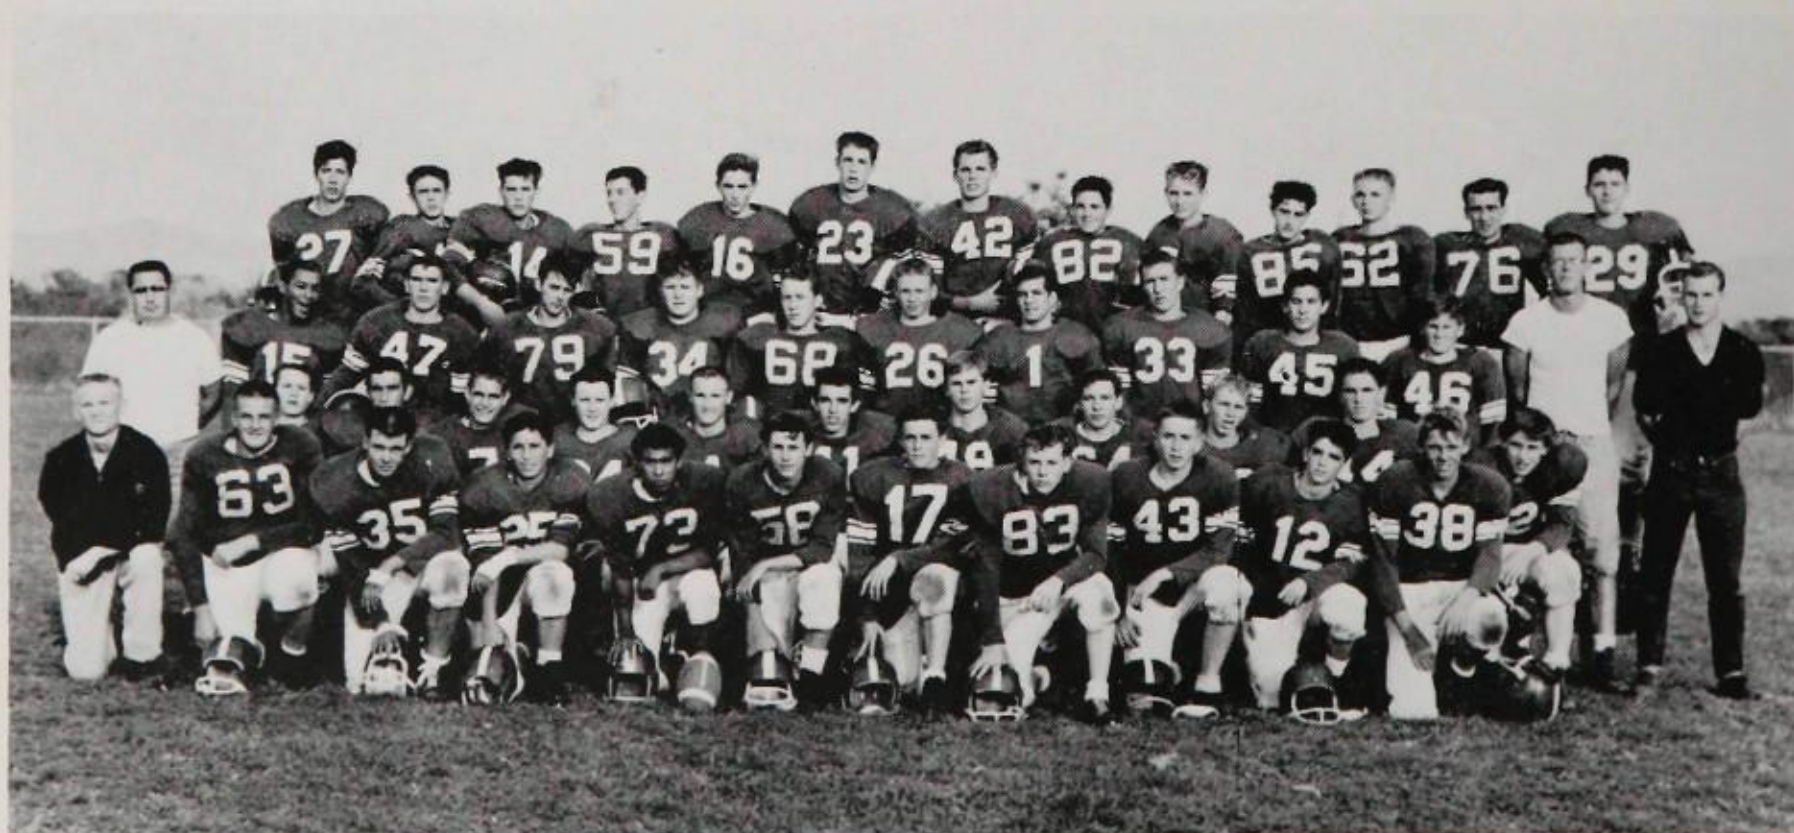

"The team was consistent and showed a lot of poise and teamwork," commented Mr. Barnard.

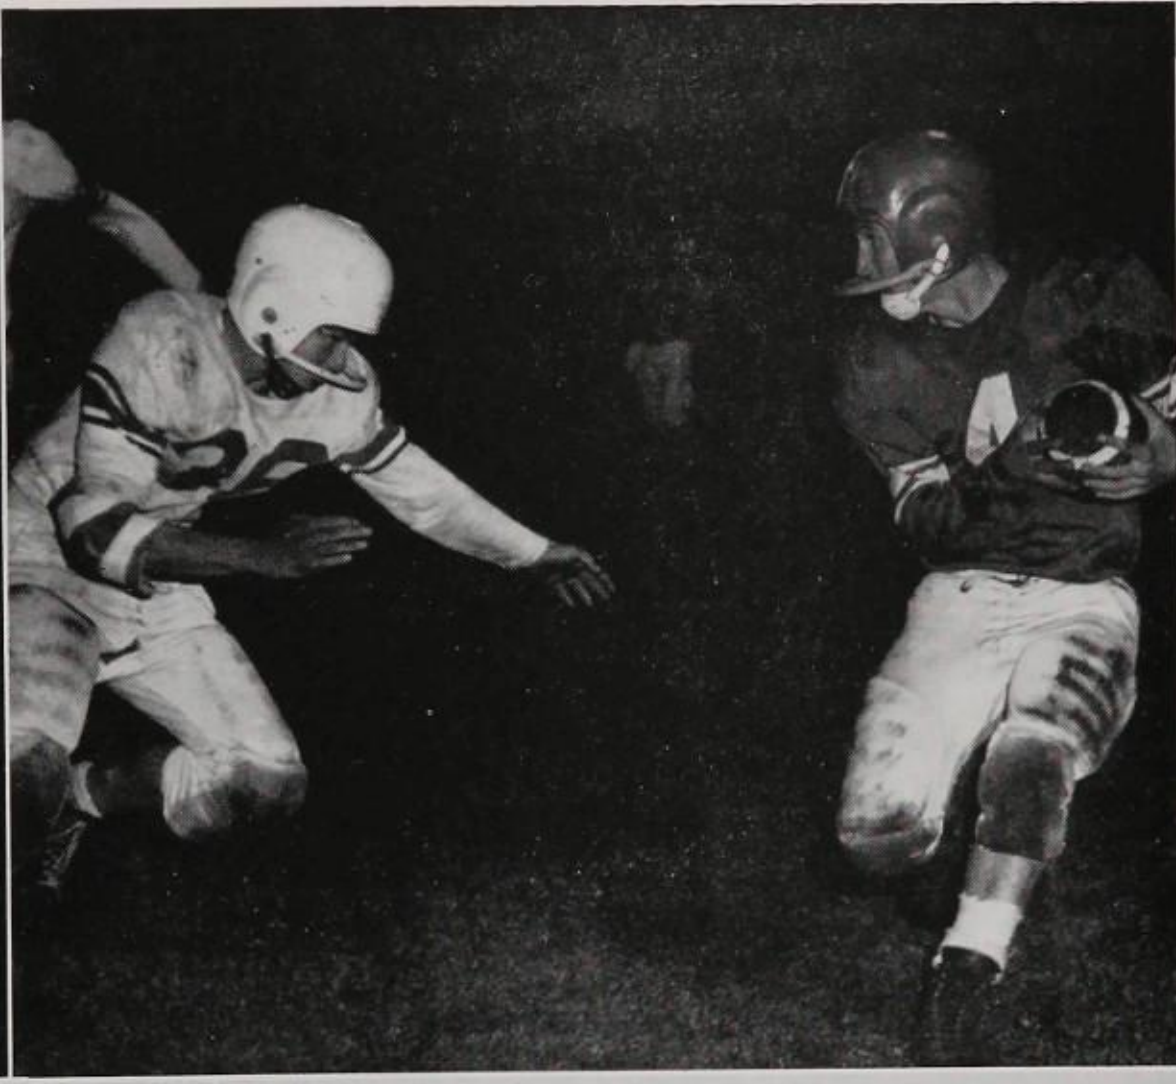

"The only teams we were beaten by were Drake and Petaluma and we defeated a strong Vallejo team," he also added.

Boys outstanding on the team were Henry Stiefel, Duane Forget, Jim Hardina, Max Mathews, Jim Hannon, Eddie McCoy, Charles Hagle, Bill Duckhorn, Troy Winslow, Tom Fiori, Bill Clemons, and Jim Whalon.

Freshmen returning next year are John Karlin, Dan Williams, Steve Buffam, Bob Lunch, Ralph Morono, Eddie Columbo, Jeff Hardisty, James Nielson, and George Dodge.

"B" BASKETBALL

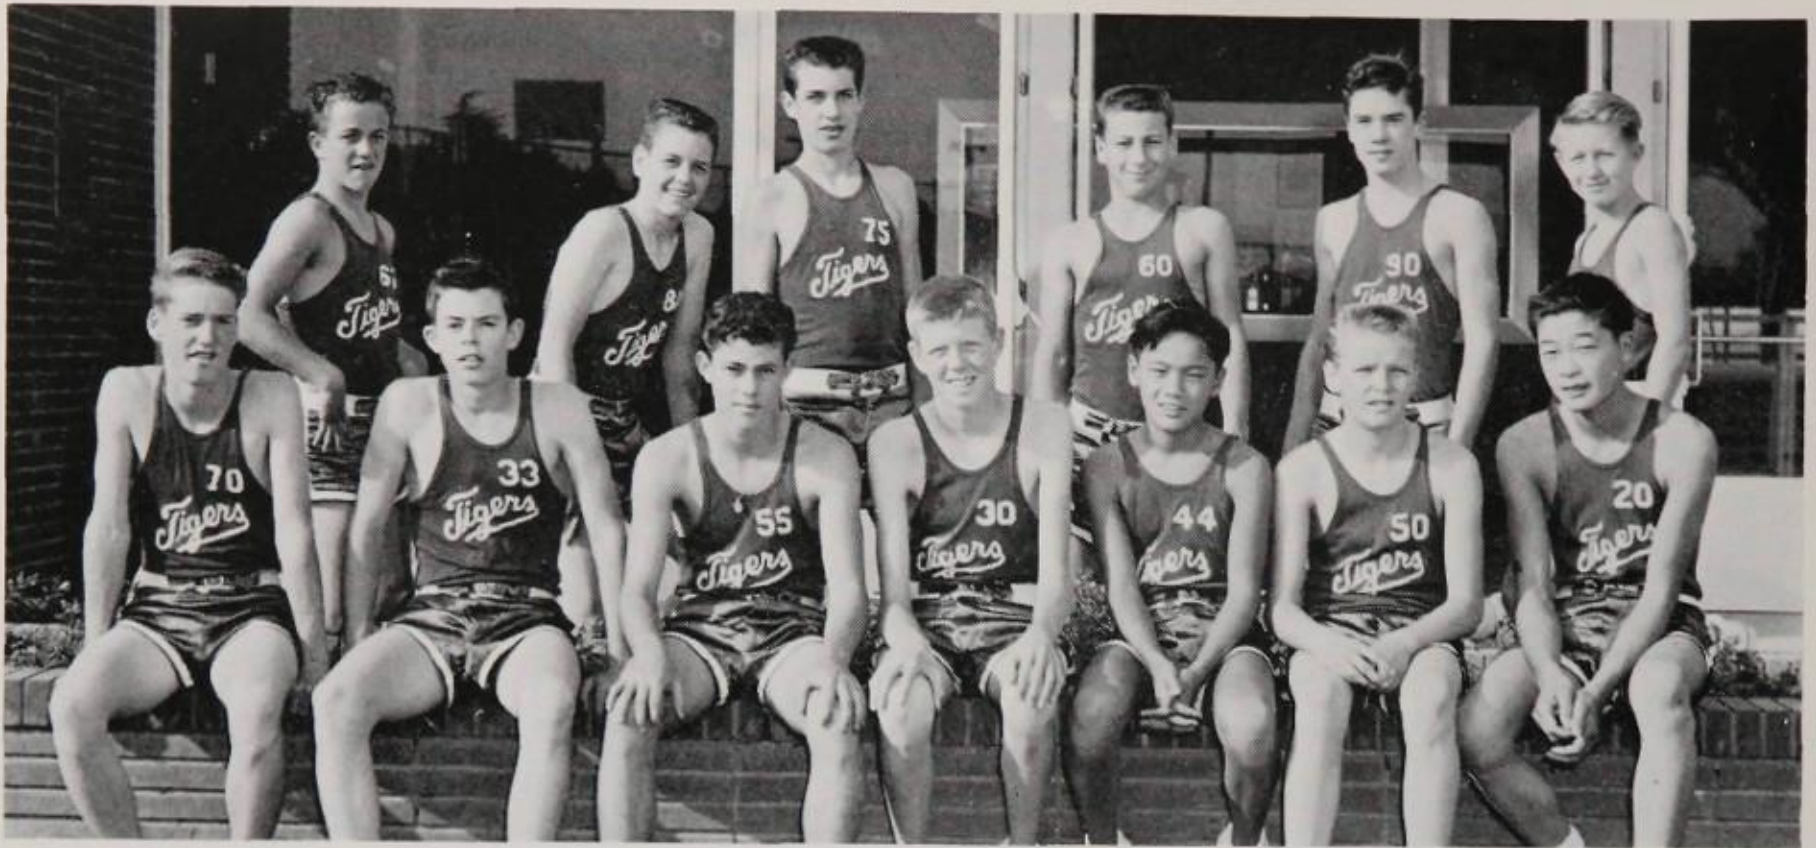

The "B" team was under the direction of a new coach this year, Mr. Diehl.

The team had little experience at the beginning of the season but at the conclusion of the season, as their victory over Sonoma showed, they gained much experience.

"They worked hard and never gave up," said Mr. Diehl. "This was one of the finest groups of boys I have had the pleasure of working with. These boys should prove very valuable to Analy's basketball teams."

"C" BASKETBALL

The "C" team did very good under the direction of Mr. Dolan Evans. They placed second in the N.B.L. League. Although they are losing some players, we expect another good team next year.

GOLF TEAM

Analy has acquired a new athletic team this year—golf. There was a fair turn-out for the team, and they have been doing pretty well considering that they are a new team with new golfers. We know that they will do better as they grow older.

"Hats Off" to Mr. Whalon, coach, and the whole team.

VARSITY BASEBALL

The Tiger baseball team has had a little hard luck thus far in the season. The first of the bad luck started last year when three of our starting infielders moved away and left us with a relatively inexperienced infield. We hope to improve and have luck toward the end of the year.

TRACK

The Analy High Track team had a very good season this year. Prospects for next year's team are very bright. Coach Walt Foster says that there are many Freshmen and Sophomores which means that the teams will be very strong in the future. Some outstanding Seniors that are graduating are Dennis Kitchens, Dick Dowd, Dan Maguire, and Elza Veazy.

TENNIS

Tennis is a sport played with a racket; tennis ball; and players placed on both sides of a net. The net is approximately waist high. The game can be played with one and not more than two players on each side of the net. The object of the game is to hit the ball where your opponents or opponent are not.

To keep score is quite simple. The game starts out 0 to 0. The server calls the score every time he serves. It starts out 0 to 0 then to 15 to 0; 30 to 0; 60 to 0; 61 to 0 and the server wins the game. The game can also end out 40 to 60 and the game must be played on until one or the other breaks the duce and wins by two points.

To win a match one must play and win two out of three sets. A set constitutes six games won. A set has to be won by two games.
